Lily,

Janet forwarded Kim's email. It does not appear that Jerilyn was included. I forwarded it to her. She plans to call in when she can around her other appointments. Please have her added to EPA mailing list. Thx.

The Mayor and Supervisor have also requested a briefing from the Tiger Team on the following:

- 4) An overview from each agency on any issues outside of the scope of sampling that could have an impact on the transfer timeline.

Thank you again for making yourself available for these meetings, please confirm your agency's participation in this Friday's meeting (please include names of all representatives that will be present), and our offices look forward to seeing you later this week.
